

REGISTER YOUR STUDENTS FOR **MATH CHALLENGE 2019** NOW, AND SAVE SUBSTANTIALLY ON YOUR REGISTRATION FEES!

Dear Principal,

After the successful completion of Math Challenge 2018, DAWN and EDeQUAL are now organising the second edition of Math Challenge, which will be held between November 2018 and February 2019.

THE COMPETITION

Math Challenge is a high-tech, high-energy, inter-school math competition that will test the mathematical reasoning and analytical skills of your students; it is a team-based event in which students compete in three groups: Group 1: Grades 5 & 6; Group 2: Grades 7 & 8; and Group 3: Grades 9 & 10.

The competition will be conducted over four rounds. The first round will take place in a computer lab on your school's premises and is open to all students. This round will help you to identify the highest scorers who should represent your school at the subsequent three rounds of the competition.

PARTICIPATION COSTS – AND DISCOUNTS

Participation requires a registration fee for schools as well as a participation fee per student. In order to encourage more participants, we are offering sizable discounts and even waiving the registration fees if a school registers a high number of students:

Number of students	School fee	Participant fee (per student)
10-24	Rs 3,300	Rs 300
25-49	Rs 2,000	Rs 300
50-74	Rs 1,000	Rs 300
75-99	WAIVED!	Rs 250
100-149	WAIVED!	Rs 200
150+	WAIVED!	Rs 150

This means that the more students you register, the more you save!

To register online, log on to: <http://mathchallenge.pk/registration2019> or complete the attached registration form and send it to one of the addresses listed below.

Registration Deadlines:

Schools: May 28, 2018

Students: September 17, 2018

We look forward to your school's participation at Math Challenge 2019.

Yours sincerely,

Niloufer Patel,
Director Circulation,
The Dawn Media Group, Karachi

Ameen Jan
CEO, EDeQUAL
